Drug: _____ AM Dose: _____

Based on the definitions below, I assess this student to be: _____ **May use for School Hours Field Trips**

_____ self-directed; _____ not self-directed;
 _____ able _____ unable to carry and self-administer medication. (School nurse to assess the student's abilities in a school setting) **Controlled medication may not be carried by student.**

_____ **The prescribed EMERGENCY MEDICATION** (ie. Inhalers, Epi-pen, Glucagon) **may be self-carried during Field Trips**

 Physician's signature Office Stamp Date

PARENT STATEMENT

By completing and signing this form, I give permission for my child as named above, to take this medication as prescribed above; I also give my permission to the nurse/health office staff to discuss problems/concerns with this medication with the prescribing physician. **I understand the determination of whether my child is self-directed or not self-directed is the ultimate responsibility of the school nurse/physician overseeing the medication in a school setting.** I further understand that any assessment may change based on a student's demonstration of responsibility. To help in that assessment, I assess my child to be:

_____ **Not Self -directed** (must be reminded & supervised in storage & administration of medication).

_____ **Self-directed** (can recognize medication, knows dose and time of delivery, and can refuse to take the wrong medication from an authority figure).

_____ **Able to carry and self-administer** (as in self-directed, plus understands need to keep medicine away from other students and safely stored, can recognize when medication supply needs replenishing, can keep track of dosing and timing of medication, know to seek assistance from health office if medication is not working). **STUDENTS MAY NOT CARRY CONTROLLED MEDICATION.**

_____ **I authorize the prescribed EMERGENCY MEDICATION** (ie. Inhalers, Epi-pen, Glucagon) **to be self-carried**

(if MD ordered above) OR chaperone carried (if no self-carry ordered) during Field Trips
